

CSF3133 WEB-BASE INTERFACE DESIGN

LAB REPORT 02

NAME: NOR SAERAH BINTI ISMAIL

MATRIC NUMBER: S75325

DATE: 29/10/2025

LECTURE: ASSC.PROF.TS.DR. WAN NURAL JAWAHIR

LAB INSTRUCTOR: PUAN WAN FATIN FATIHAH BINTI YAHYA

2.3 Working with Tables

1. Basic table structure: A table with row and column was created. Result:

A screenshot of a web browser window. The address bar shows the URL "C:/UMT/Sem%203/Web%20base%". The main content area displays a simple table with three columns: Name, Subject, and Grade. The data rows are John Doe (Mathematic A) and Jane Smith (Science B+).

Name	Subject	Grade
John Doe	Mathematic A	
Jane Smith	Science	B+

Name	Subject	Grade
John Doe	Mathematic A	
Jane Smith	Science	B+

2. Attributes: border, colspan and rowspan have been used in the table. Result:

A screenshot of a web browser window. The address bar shows the URL "C:/UMT/Sem%203/Web%20base%". The main content area displays a table titled "Studdet Infonamtion" with two rows. The first row has two cells: "Name" and "John Doe". The second row has one cell: "Mathematics A+".

Studdet Infonamtion	
Name	John Doe
Mathematics A+	

2.4.1 Basic format elements

1. A form with text fields, radio button and submit button was created. Result:

A screenshot of a registration form titled "Registration Form". It contains fields for First Name and Last Name, both represented by input text boxes. There is a gender selection section with radio buttons for Male and Female, and a "Submit" button at the bottom.

First Name:

Last Name:

Gender:

Male

Female

2.4.2 Others form elements

1. Other type of input checkboxes and dropdowns was included. Result:

Select your hobbies:

Reading

Gaming

Choose a country:

2.5Semantic HTML

Common semantic tags was added like header, nav, article, section and footer.Result:

Self-love

Self-love is a state of appreciation for oneself that involves caring for your physical, psychological, and spiritual needs, and includes treating yourself with kindness, acceptance, and compassion, even during difficult times. It means recognizing your own worth, setting boundaries, and prioritizing your well-being without being selfish or narcissistic. It is a fundamental part of self-confidence and mental well-being that is developed through a consistent, lifelong practice.
